- Costume fitting/collection and dress rehearsal **23rd /24th March** at Bojangles – time TBC. All children will not be required both days.

Performance Licence details

Show rehearsals are underway in all classes. It is now vital that we obtain a Performance license from the council for each child taking part. The Children and Young Persons Act states that all pupil and Show performance details have to be submitted by us to their relevant County Council for the Performance licence procedure to be completed and the Performance licence to be granted. This process takes several weeks and it is now essential that the attached form is completed and returned to your child's teacher or the office. If a licence is not obtained your child will not be allowed to perform in the show and we cannot apply for one until we have your consent.

Chaperones and Parent/Guardian help.

- By law we require registered licensed Chaperones to look after and safe guard the children at the technical dress rehearsal and the show. Chaperone licenses are granted from the Council. Bojangles will help with the process and cover the cost. If you would like to become a chaperone it will be greatly appreciated as the show will not be able to go ahead without the correct number of chaperones. We ask if you could help on a minimum of 2 of the show or rehearsal dates.

General help

- We also require help with front of house, sewing and making props. Help will be needed in class with rehearsals and costume fittings.
- Can you help with our costume fundraising or perhaps sponsoring/printing the show program? Please come and chat if you think you can help in any way.

Keeping you informed and Facebook

- We will keep updates of rehearsal times and show information on all our notice boards. We also have a **PRIVATE PARENTS** facebook page where all information will be posted and you can private message or ask any question you may have. This is a great source of information and totally private to only parents of Bojangles pupils. We would really recommend you request to join the group if you have not already. The main facebook page is @bojangleslichfield – scroll down and you will see Bojangles Parents Group/Private and request to join.

Videos and Photography

- A professional video will be taken of the show and photos of the children in their costumes at rehearsals. These will be able to purchase through the video company.
- **The attached consent form must be completed and returned by the end of January at the latest.**

We do hope you feel your child will be able to commit to the show, it's a lovely experience for them. If you require further information, please do not hesitate to us.

Bojangles Show - 30th and 31st March 2019

This form must be returned by the end of January at the latest.

Show Fee.

Due to the work involved in producing a professional show it is necessary to charge an initial show fee of £20.00. This will cover theatre rehearsals, admin, performance licence fees and additional insurance required.

All children are included in the finale, and their finale costume is included in the show fee.

Your child will require a costume for their individual dances which they keep and you will be invoiced for this separately. This will have a deduction for each pupil when our final fundraising figure is known. This is why it is so important now to do as much fundraising as we can so we can reduce the cost of costumes.
